

Show & Tell

Show & Tell should be something that children bring in to share that tells a bit about themselves. Some ideas are: up to 3 favorite pictures, a book they enjoy, a souvenir from a trip and tell us about the trip, tell us about a trip or another exciting event (no picture required), best stuffed animal, something they've created at home. I'm sure you and your child already have some great ideas! I'd like whatever they bring to be no larger than a paper grocery bag. (It doesn't have to be brought in that type of bag; that's just to help with size assessment.) Please make sure it's not a family heirloom or breakable. We certainly don't want to accidentally lose or break anything that comes in.

Thanks for your help! I am so excited to learn more about your children. As we all get to know one another better, we grow as a community and in our love of each other!
